

### **Bufete Salas legal solutions:**

**Bufete Salas is a law firm with a team expert in claims, bargaining and debt collection. We offer you a legal team of lawyers expert in default cases to bring you legal solutions customized to your particular case, so that you collect your debts in an effective way.**

**1. Non-judicial claims of debts.** Amicable solutions in claims of debts by an order for payment. Our lawyers expert in default cases study your documentation, write an order for payment and send it immediately as a registered letter or bureaufax and make phone calls to the debtors.

**2. Express debts claim.** Our lawyers expert in default cases study your whole documentation and write a direct order for payment as a certified sms, certified e-mail, bureaufax and introduce the debtor's name in a defaulters list, with all the legal consequences that entails.

**3. Mediation and arbitration.** Alternative solution to a judicial proceeding for a conflict between creditor and debtor. In the mediation we count on the cooperation of a mediator, so that both parts reach an agreement. In the arbitration we count on an arbitrator who study both parts arguments and issues an arbitral award of obligatory compliance as a solution to the conflict.

**4. Judicial action** nationwide (Spain), European and international claims. Our lawyers expert in default cases study every particular case in order to design the best legal strategy customized to each problem. And we apply the action or petition that better adjusts to the legal strategy.

**5. Credit and collection department outsourcing and management service.** Integral management of your company's whole debt portfolio by Bufete Salas. We propose you to sign a collaboration agreement between your company and Bufete Salas to offer you a highest quality service. We **manage integrally your whole debt portfolio through the outsourcing and creation of your company credit and collection department.**

**6. Debt insurance.** Unpaid rent insurance and credit and security assurance. We have two service lines: on one side, lessors who rent a flat; on the other side, companies that want to ensure risk by means of a credit and security assurance. In Bufete Salas we study your particular case and we offer you the best insurance tailored to your needs.

**7. Debt financing.** Debt financing by means of mortgage loans secured and other personal assurance. In Bufete Salas we count on investors and credit institutions that offer finance to our customers to tackle their debts and to repay loans in easy instalments.

**8. Debt purchase.** Credit claims assignments by notary and notarised deed. This innovative service consists in bringing our inversors in contact with individuals and companies interested on sale of debt. For this service, we study your documentation, negotiate and prepare all documents for their signature notarized.

**In Bufete Salas we offer you solutions to the claim of debt situation that you endure, so that you can recover your money as soon as possible, and we provide you with Bufete Salas legal team made up of lawyers expert in claims, bargaining and debt collection in Spain, Europe or at international level.**
